

Our Equality Objectives

Whilst continuously aiming to improve the implementation of equality-related policies and procedures, Fioretti Trust has established the following objectives (which have been agreed in conjunction with the CEO, Trustees and each Headteacher in the Trust):

1

Inclusive recruitment

Ensure recruitment practices attract and support staff, governors and trustees from a range of backgrounds to create an inclusive, diverse, accessible and equitable organisation where everyone can thrive.

2

Anti-racism

Fully embed and monitor the Trust's Anti-racism Policy.

3

Awareness of other faiths

Raise awareness of other faiths through collective worship, celebration of festivals, visits from faith leaders or visits to places of worship.

4

Cultures and communities through books

Raise awareness of other cultures (different faiths and heritages) and communities (e.g. LGBTQ+) via exposure to a range of literature in our classrooms and libraries.
